

2018-2019 Verification of Bachelor's Degree

Your 2018–2019 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid office at your school.

You are not eligible to receive a Federal Pell Grant because you reported that you have a bachelor's degree, or you are working on a degree beyond a bachelor's degree, or both. The information provided will be used to verify, update, or correct the information provided on the FAFSA.
